SENATOR MAHONEY: Mr. Speaker, my amendment just strikes the Dworak amendment. What the builder constructs after that, that will be different. Mine is merely to remove and bring it back and strike it. I think that all of this language stuff would have to come later.

SPEAKER: Senator Bereuter.

SENATOR BEREUTER: Mr. President, I would speak to the Mahoney amendment and simply say that what is being discussed here are two separate types of financing. One is a mill levy for capital construction and one a mill levy for bond retirement. They are two separate issues. As I understand it Senator Dworak would like to address both of those issues. Senator Mahoney I presume would prefer to not have either one addressed. They are two separate issues and two separate methods of financing that are being considered here by the wording that is involved in line 18-19 on page 13.

SPEAKER: Chair recognizes Senator Marvel.

SENATOR MARVEL: I pass temporarily.

SPEAKER: Chair recognizes Senator F. Lewis.

SENATOR F. LEWIS: Mr. Chairman, not to the Mahoney amendment. I'll put mine up there later.

SPEAKER: Senator Marsh.

SENATOR MARSH: I don't have a light on.

SPEAKER: Is there any further discussion? Chair recognizes Senator Dworak.

SENATOR DWORAK: A question. (inaudible).

SPEAKER: Senator Mahoney do you care to close?

SENATOR MAHONEY: I think for the sake of everybody that I have said everything and everything has been said back and forth that I think in order to clean up the present situation and if there is any doubt we have to remove the Dworak amendment so that we can start over and build on these things that Senator Lewis and Bereuter have been talking about.

SPEAKER: Are you ready for the question? Senator Dworak, Senator Mahoney was closing.

SENATOR DWORAK: Are we voting on the Lewis amendment to the Mahoney amendment or the Mahoney amendment?

SPEAKER: We are on the Mahoney amendment. Question is shall the Mahoney amendment be adopted? Have you all voted? Clerk will record.
